Lifeguarding:

There is 1 lifeguard stand on each side of the pool. For shifts that have 1 lifeguard, please sit in the lifeguard stand corresponding with the pool the swimmers are using. For shifts that have 2 or more lifeguards, please have 2 guards up during warmups for a meet, and then rotate once the meet begins.

If you need a bathroom/water break, please inform a coach first.

If there are 2 guards on duty, signal to the other guard that you are taking a bathroom/water break. Please have the first-aid fanny pack provided attached to your waist for the duration of the shift, a whistle around your neck (available box mentioned below) and the rescue tube on your lap with the strap across your shoulder.

Dress Code:

Guard suits are mandatory. Navy blue athletic shorts over the guard suit is acceptable. Triangle Aquatics T-shirts over your guard suit is acceptable. Tshirts and whistles are in a storage box, in a closet, midway down the pool.

No shoes (sandals are permitted). No cell phones or smartwatches. No books.

You must be ready and sitting in the lifeguard stand at your scheduled start time until your scheduled end time. Please arrive at least 5-15 mins before your shift. Your only duty is to lifeguard. You do not have to check chemicals or clean. Your job is to consistently scan every swimmer in the pool throughout the duration of your shift.
